

global\_planner::Traceback

```
graph BT; GP[global_planner::GridPath] --> TB[global_planner::Traceback]
```

A diagram illustrating a class inheritance relationship. At the bottom is a gray rectangular box containing the text 'global\_planner::GridPath'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box at the top, which contains the text 'global\_planner::Traceback'. Both boxes have a thin black border.

global\_planner::GridPath
