

```
costmap_2d::InflationLayer  
::computeCost
```

```
graph LR; A["costmap_2d::InflationLayer  
::computeCost"] --> B["distance"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `costmap_2d::InflationLayer` on the first line and `::computeCost` on the second line. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `distance`.

```
distance
```
