

base_local_planner
::WorldModel::footprintCost

```
graph LR; A["base_local_planner  
::WorldModel::footprintCost"] --> B["base_local_planner  
::WorldModel::footprintCost"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'base_local_planner' on the first line and '::WorldModel::footprintCost' on the second line. The right box has a white fill and a black border, containing the same two lines of text. A dark blue arrow points from the right side of the left box to the left side of the right box.
