

dwa_local_planner::
DWAPlaner::DWAPlaner

```
graph LR; A[dwa_local_planner::DWAPlaner::DWAPlaner] --> B[base_local_planner::LocalPlannerUtil::getGlobalFrame];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'dwa_local_planner::DWAPlaner::DWAPlaner'. The right box is gray with a black border and contains the text 'base_local_planner::LocalPlannerUtil::getGlobalFrame'.
