

dwa\_local\_planner::  
DWAPlanner::reconfigure

```
graph LR; A[dwa_local_planner::DWAPlanner::reconfigure] --> B[base_local_planner::ObstacleCostFunction::setParams];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'dwa\_local\_planner::DWAPlanner::reconfigure'. The right box is gray with a black border and contains the text 'base\_local\_planner::ObstacleCostFunction::setParams'.
